What personal data we collect and why we collect it

If you access this website, information of a general nature is automatically collected. This information is recorded in the server log file and includes the type of web browser, the operating system used, the domain name of your internet service provider, your IP address and similar.

This is for the following reason:

- To ensure a problem-free connection of the website
- Ensuring a smooth use of our website
- Evaluation of system security and stability and
- For other administrative purposes

Your data will not be used to draw conclusions about your person. Information of this kind is only evaluated statistically in order to optimize our Internet presence and the technology behind it.

Storage duration

All data will be deleted as soon as they are no longer required for the purpose of collection. This is usually the case, when the respective session has ended.

Contact forms

The data you enter will be stored for the purpose of individual communication with you. For this purpose, it is necessary to enter a valid e-mail address and your name. This serves to assign the inquiry and to answer it afterwards. The entry of further data is optional.

Cookies

Only essential cookies are placed that do not require the consent of the website visitors or a cookie banner. Information on the cookies used is available at <https://support.wix.com/de/article/cookies-und-deine-website-bei-wix>. The cookies are deleted after 2 years at the latest.

Use of script libraries (Google Web Fonts)

In order to display our content correctly and graphically appealing across browsers, we use "Google Web Fonts" from Google LLC (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; hereinafter "Google") to display fonts on this website.

The privacy policy of the library operator Google can be found here:

<https://www.google.com/policies/privacy/>

Embedded content from other websites

Contributions on this website may contain embedded content (e.g. videos, pictures, articles etc.). Embedded content from other websites behaves exactly as if the visitor had visited the other website.

These sites may collect information about you, use cookies, embed additional third-party tracking services, and record your interaction with that embedded content, including your interaction with the embedded content if you have an account and are logged on to this site.

Use of Google Analytics

This website uses Google Analytics, a web analytics service provided by Google LLC, 1600 Amphitheatre Parkway, Mountain View, CA 94043 USA (hereafter: "Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyse how users use the site. The information generated by the cookie about your use of this website is usually transferred to a Google server in the USA and stored there. However, due to the activation of IP anonymization on these websites, your IP address will be shortened by Google within member states of the European Union or in other signatory states of the Agreement on the European Economic Area before. Only in exceptional cases, will the full IP address be transferred to a Google server in the USA and shortened there. On behalf of the operator of this website, Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity and providing other services relating to website activity and internet usage. The IP address transmitted by your browser within the scope of Google Analytics is not combined with other data from Google.

The purposes of the data processing are to evaluate the use of the website and to compile reports on activities on the website. Based on the use of the website and the Internet, further related services are then to be provided.

Privacy policy for the use of Google AdSense

This website does not use Google AdSense.

Use of Google Maps

On this website we use the offer of Google Maps. Google Maps is operated by Google LLC, 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA (hereinafter "Google"). This enables us to display interactive maps directly on the website and enables you to use the map function conveniently.

Further information about data processing by Google can be found in the Google privacy policy. You can also change your personal privacy settings in the Privacy Center.

YouTube-Videos

We do not embed YouTube videos.

How long we store your data

All users can view, change or delete their personal information at any time. Administrators of the website can also view and change this information.

What are your rights with regard to your data?

If you have used the contact form, you can request an export of your personal data from us, including all the data you have given us. In addition, you can request the deletion of all personal data that we have stored about you. This does not include data that we are required to keep due to administrative, legal or security-related necessities.

Where we send your data

Inquiries (contact form) will be forwarded exclusively to the participating laboratories.

Contact Information

Please contact us for data protection-related concerns:

E-Mail: andreas.bohren@spf.ch

Social plugins

No social media plugins are used on our websites.

Google AdWords

We do not use Google Conversion Tracking on our website.

How we protect your data (SSL Encryption)

To protect the integrity of your data during transmission, we use state-of-the-art encryption procedures (e.g. SSL) via HTTPS.

Changes

We may change this privacy policy at any time without notice. The current version published on our website applies.

Questions to the Data Protection Officer

If you have any questions regarding data protection, please send us an e-mail or contact directly the person responsible for data protection in our organization listed at the beginning of this privacy policy.
